New Leaders @ GPL!

Mindy Hobensack is the new Director of both Greentown Libraries, but she's not new to the Library. Mindy has worked in nearly every capacity at GPL. Her smiling face and infectious laugh welcomes all who enter.

Megan Nicholson Williams is the new Children's Librarian. Megan is new to the library scene, but as one might tell by her maiden name, she is not new to Greentown. Megan brings youth and energy to the Children's Library. She will start work on her Masters of Library Science this winter.

Be sure to welcome these extraordinary ladies when you visit.
