In regards to Social Distancing & Protective Measures:

Our staff will be required to wear a mask to protect their coworkers and our patrons until at least Stage 4 of the Indiana Back on Track Plan. **Patrons are encouraged to wear a mask but are not required to wear a mask when entering the library unless mandated by the state.** Social distancing of 6 feet or more will be maintained when possible.

For everyone’s safety, there will be protocols in place at each location for checkout procedure and computer usage to maintain social distancing.

A reminder that both the adult/teen & children’s library will be open to adults. **Per guidelines from the DOE & Eastern Schools, no children are allowed on school grounds until July 1st. We will welcome them back to the library at that time.** All toys have been stored at the children’s library.

**The community room can be used by groups of 25 or less, with the understanding that those groups will observe social distancing.**

We are here to serve our patrons and community!
